

NOTICE

KENSINGTON RESIDENTS

On Saturday, April 17, 2021 the Alexandria Technical College will be conducting fire fighter training. The training will be a live house burn at 17 Pacific Street East in Kensington and is scheduled to begin about 7:30am and end about noon.

The street at the corner of Grand Avenue N and Pacific Street E will be closed. With water usage from the fire hydrants residents may see discoloration of the water and low water pressure.

Residents are asked to please conserve water during this time so our wells can keep up with the increased water demand.

Thank You.
